

- 
- **Design with Nature
Online Seminar 2018**
 - *Wednesday, December 19, 2018*
 - *Case study: Sword Lake in Hanoi - Vietnam*
 - *Student: Duy Phan Do*

Overview

Turtle Tower

Ngoc Son Temple

Pen Tower

King Ly Thai To Statue

Hoa Phong Tower

Ba Kieu Temple

Historical
Landscape

Value

Challenges

- There is no harmony between the new buildings and the existing landscape.
- Traffic load.
- Lack of open space for community, unfriendly with people.
- Loss of historical , culture and landscape values.

Opportunities

- Long history value
- Natural values (plants, water,...)
- Center location
- Suitable for a walking street (Old town quarter, shopping, restaurants, monuments...)

Strategy for improvement

Current situation

Administrative center
Shopping center
Recreation center
Main traffic axis
Tourism center
Golden estate

Scenario

Historical-Cultural center
Community space
Museum- Monument complex
Walking treet
Sustainable tourism
Traditional-art space

SWORD LAKE
A Historical-Cultural-Community Park
